Re: Reclamation Bond -- Southwestern Cement Enterprises, Inc.

Dear Pamela:

I understand from Lynn Findley of the United States Forest Service (USFS) that you have agreed that Southwestern may fulfill its reclamation bond obligation as to non-federal lands through the submission of an Appendix to the bond to be submitted to the USFS. Lynn also said that you would like to review the proposed Appendix before the bond is submitted. In that regard, enclosed please find a draft copy of the Appendix for your review and approval.

Please call me once you have reviewed the enclosed document so that we can proceed promptly with the bond. Pursuant to your request through Lynn, I will also send you copies of all the documents to be provided to the USFS in reference to the transfer of the Plan of Operations from Martin Marietta to Southwestern. Thank you for your cooperation and assistance.

Very truly yours,

Bracewell & Patterson
